EXPERIENCE

Fathom Optics Inc. — SaaS Startup

LEAD GRAPHIC DESIGNER (2020-2022)

After leaving the position, I was given an opportunity to go back to school and study further in coding and UI design to expand my skill set. Planning to graduate in 2025.

- Gained user sign-ups by 10x and 200%+ engagements while creating visual content for social media channels.
- Rebuilt the company's brand guidelines, delivered visual consistency across different media(print, web assets), and elevated graphic narratives.
- Acquired new projects by integrating design experiments, improving user experience in a fast-growing environment, and bringing new value to the company's assets.

Japan Natural Laboratories Co., Ltd. — Beauty and CPG

HEAD OF DESIGN, PROJECT MANAGER (2013-2018)

- Boosted market growth by over \$1M/year, spearheaded 70 projects annually, and achieved a 133%+ output by establishing client relationships and expanding a cross-functional team of 12 members (design, planning, research, sales, and support).
- Managed 10+ business partners (photographers, designers, writers, and vendors) toward constant product distribution.
- Directed brand/product distribution, implemented roadmaps, visualized brand architecture, and translated the project for internal and external discussions.

TEAM LEAD, SENIOR DESIGNER (2012-2013)

- Built and organized the company's first creative team of 4(design and communications) and established a mentoring culture.
- Enhanced intercommunication and workflow by visualizing and translating technical issues across five departments.
- Developed brand assets across different media, iterating on prototypes alongside the graphic design execution.

DESIGNER (2010-2012)

- Worked with the B2C team to finalize projects and promotional activities and took part in photo/video shoots, collaborating with external creatives (directors, designers, writers, and videographers).
- Collaborated with a cross-functional team to prepare presentations for executives and redesigned internal and external relations by sharing visions and prioritizing technical tasks.
- Executed visual language in projects and supported sales distribution in a fast-paced environment.
